CWL BOARD PRESIDENT

Dear Friends,

We greatly appreciate that you are attending the 2022 Celebrity Waiters Luncheon ("CWL"). Over the past 38 years, CWL has proven to be among the most successful charity luncheons of its kind in the country raising millions of dollars for charities with its unique blend of community spirit and wacky, zany fun. This year's theme should be an equally successful and fun event as we strive to raise funds for a cause which benefits every citizen in our community, The Seattle Police Foundation ("SPF").

Today, we are honored to present Carmen Best with the Celebrity Waiters Luncheon Community Award. This award recognizes the significant contribution that former Chief Best has made to our community. Her leadership and community spirit are truly exceptional. Thank you, Carmen!

We would also like to thank our generous guests, sponsors, Celebrity Waiters, and the many volunteers who have helped make this event possible. The City wouldn't be a robust philanthropic community without them. I can assure you that our collective team has worked very hard to make this year's event the best yet. The Celebrity Waiters Luncheon is genuinely a team effort. We want to thank our Board and Steering Committee for their tireless dedication.

We also want to thank Cherie Skager, the President and CEO of SPF, as well as Lynne Houserman, Chairman and the entire Foundation Board and staff for their leadership and dedication to the success of this event.

Finally, we want to thank our event coordinator, Suzanne Hight, for her leadership, expertise, and the tireless energy she brings to the event. Thank you, Suzanne, for all you do.

Your Celebrity Waiters are here to serve you and make your day special. In return, we urge that you raise your bid paddles, tip your Waiters generously, and have a good time. As a donor to our organization, you're a part of something extraordinary – you're a part of our community. And you make everything we do possible. Let's make a difference in helping the Foundation support Seattle Cops, and have a fun time doing it!

Sincerely,

Sam E. Baker, Jr.
 CWL Board President

Supporting the
Seattle Police
Foundation
and all the
great work
you do for our
community.
Thank you.

Dear Friends,

Thank you for participating in the 2022
Celebrity Waiter's Luncheon!

We are honored to be the beneficiary of
this year's event as we work together to
improve public safety in Seattle.

The Seattle Police Foundation (SPF) was
founded on the premise that a safe and
viable city is the result of strong community
partnerships. By working together with the Seattle Police
Department and citizens of Seattle over the last 20 years, SPF
has invested more than \$13M to fund programs that build
trust and positive relationships between police and the
community; additional training and professional development
of SPD employees; and new equipment to advance officer and
public safety.

We could not do this work without support from a generous
community. We thank the Celebrity Waiter's board, table hosts,
guests and corporate and community partners who made this
event possible.

Your support today will allow us to invest in three specific and
vital areas that will make Seattle a safer place to live, work, and
visit:

- State of the art virtual reality de-escalation and empathy
training that allows SPD officers to further develop the necessary
skills to work with special populations and victims in crisis.
- Emergency Medical Technician training and equipment for 18
new SPD officers who will have the knowledge, skills, and medical
supplies to provide life-saving care to victims when seconds count.
- Support for SPD community-based programs, such as Beds
for Kids. This year, SPD officers will give out more than 200 twin-
sized beds, bedding sets and stuffed SPD teddy bears to children
living in the greater Seattle area who are currently sleeping on
the floor.

On behalf of all of us at SPF and SPD, we thank you for your
support!

Sincerely,

Cherie Skager, President/CEO
The Seattle Police Foundation

2022 Honoree Award

"Evil Eye"

Reimagined by Artist Piper O'Neill, this hand-blown artwork was created exclusively on behalf of Celebrity Waiters Luncheon in honor of Carmen Best.

The evil eye is a supernatural belief in curse, brought about by a malevolent glare, usually given to a person when one is unaware.

It dates back to at least to Greek classical antiquity, 6th century BC where it appeared on Chalcidian drinking vessels, known as 'eye-cups', as a type of apotropaic magic.

SPECIAL OPPORTUNITIES

Beds for Kids Event - \$250

Check the GreaterGiving site for the donation link. This event happens once a year with a goal to give beds to kids who don't have one. Offer children a better night's rest, which will prepare them for a better day. Need assistance? Look for a Volunteer to assist you!

History: The Beds for Kids Project was started in 2014 by Seattle Police Officers Jeremy Wade and Ryan Gallagher to help provide beds to children in need - a project inspired after what they witnessed on a routine call in Seattle's Central District. When Officers Wade and Gallagher arrived at the scene, they witnessed two young girls who were living in a home with their grandparents, both sleeping on the floor without a bed of their own. The next day, and with their own money, both officers purchased and set up brand new beds for the two young girls. Seeing the joy these children expressed and realizing that many more children in Seattle are living under similar circumstances, the Beds for Kids Project was born.

15. XOBC Cellars In-Home Wine Tasting for 20 (or 10 couples)

Team XOBC will treat you and your guests to a tailored private wine tasting experience. They will share the story of how XOBC began, why their Walla Walla vineyards make exquisite wine, the sustainable farming practices, and how becoming a Collector club member gives back to the Looking Out Foundation.

The Foundation amplifies the impact of music by empowering those without a voice. From neighborhood to nation, they help fund causes and organizations that often go unnoticed.

Founded in 2008 by multiple Grammy winning artists Brandi Carlile, Tim and Phil Hanseroth, they band together with fans, nonprofits, and corporations to translate voices of song to voices of action. They are nimble to the ever-changing needs of the human race, and adapt to support the diverse demographic we serve. Every campaign launched is backed by their passionate donors and fans, and \$1.50 from every concert ticket sold goes directly toward their efforts. Together, they're making music mean more. Mutually agreeable date. Tasting is typically a 60–90-minute experience.

Role of Seattle Police Foundation:

SPF recognizes that the Seattle Police Department, with more than 80% of its annual budget going to support personnel costs, has very little flexibility to seed new programs and encourage innovation. The role of the Foundation is not to displace funding for basic law enforcement, nor to reduce in any way the responsibility of the City of Seattle to commit the necessary funding for law enforcement services for its citizens. However, as modern law enforcement tasks continue to become more complex, the Seattle Police Department, similar to police departments across the country, has increasing needs to stay current in training, technology and equipment, and communication and partnership efforts with the community.

The Foundation utilizes the generous contributions of our fellow citizens and funding partners to enhance the Seattle Police Department's efforts in three vital areas:

- **Community Partnerships** - Programs that enhance relationships between the community and the Seattle Police Department
- **Employee Development** - Advanced training and employee recognition programs
- **Police Service Enhancements** - Cutting-edge and specialized equipment and technology

By supporting innovative projects in these funding areas, our public-private partnership allows the Seattle Police Department to launch innovative and experimental projects that further their ability to serve Seattle's public safety needs.

The Seattle Police Foundation is a registered corporation with the state of Washington and is recognized by the US Government as a 501(c)3 tax-exempt non-profit foundation. EIN # 91-2171529.
